IEEE Bombay Section

Aug 2023 – Oct 2023

Full Stack Developer

Remote

- Worked with cross-functional team to develop a **React.js application**, reducing page load times by **25%**.
- Led a cross-functional team as Team Leader to develop a robust **online Markdown editor**, achieving a **40%** reduction in user errors and currently serving over **150** active **users**.
- Engineered a streamlined Markdown editing **interface** that received positive feedback from **95%** of users, enhancing overall satisfaction and workflow efficiency.

Projects

MealMingle

[Link](#)

- Created an innovative **food ordering platform** with seamless **payment integration**, which reduced order processing time by **50%** and enhanced user engagement.
- Developed a real-time order **tracking** feature that provided insights into customer behavior, leading to an **18%** increase in repeat purchases and overall revenue growth.
- Tech Stack: **React.js**, **Tailwind CSS**, **Spring Boot**, **MySQL**, **APIs**

Placement Management System

[Link](#)

- Led the development of a student placement **website** that **optimized applications**, resulting in a **30%** increase in application submissions by providing direct company links for easy access.
- Spearheaded the development of the student placement **website** featuring direct company links for streamlined applications.
- Drove a **30%** increase in student placement rates. Reduced application processing time by **40%**, leading to a **50%** rise in student satisfaction
- Tech Stack: **React.js**, **Bootstrap**, **Spring Boot**, **MySQL**, **APIs**

Project Management Tool

[Link](#)

- Developed a tool that facilitates efficient project **tracking**, task assignment, and real-time collaboration, enhancing team productivity by **25%** and improving project visibility.
- Integrated features include user **authentication**, role-based **access control**, and dynamic dashboards, providing a robust solution for managing complex projects.
- Tech Stack: **React.js**, **Bootstrap**, **Spring Boot**, **MySQL**, **APIs**

Certifications

- [Frontend Developer\(React\)](#) Certification from Hacker Rank and [Core Java](#) Certification from Hacker Rank.
- Java for Placements - **CodeTantra**.
- [Introduction to Generative AI](#) - Google Cloud.

Achievements

- Bronze Medalist in **Web Technology** at Bihar's State Level World Skills Competition.
- Solved **250+** problems on Hacker Rank and GFG.
